ARCH

ALL THINGS MUSIC, CONNECTED

Arch is the newest milestone in Devialet's quest to bring the purest, most moving music to all. Its job? Connecting more audio sources, turntables included, to any Phantom.

A high-quality phono stage, inherited from Devialet's Expert Pro range, transforms your record player into an exceptional vinyl experience.

Monolithic and minimalist by design, Arch has been delicately sculpted to reflect the Devialet aesthetic.

The must-have accessory for music lovers who want to enjoy their audio source without necessarily having it near a speaker, Arch adapts to three different type of sources: Phono, 1 x analog line input, or 2 x S/PDIF (coaxial) digital inputs.

MONUMENTAL, WHEREVER YOU'RE SEATED

The master gilders at **Ateliers Gohard** finished the Phantom's gold leaf side plates following time-honored methods. Each gold leaf is applied by hand to create a unique patina. What's more, these heritage techniques demand absolute perfection—once the leaf has been applied, it cannot be removed.

Bearing the **PHANTOM Opéra de Paris | Devialet signature**, the side plates are gilded with Moon Gold, a precious and stainless palladium-yellow gold alloy.
